Learn on the Go

Orientation & Registration

August 13-16, 2018

* Call for Appointment *

24 Accent Drive, Suite 150

Monroe, LA 71202

Program Information:

Learn on the Go is an online HiSET Preparation Course that is designed for students who are not able to attend face-to-face classes on one of our Adult Education sites. This course will take you through three rotations of classes in reading, writing, and math, with each rotation increasing in difficulty in order to prepare you for the HiSET exam. Each student will be assigned an instructor and an online coach to help guide them through the e-learning platform.

Requirements:

While this is an online program, students will be required to attend a face-to-face orientation and registration in which each student will complete the registration process, a digital literacy exam, and a pre-assessment in reading, math, and language. Each student will also be expected to take a post assessment at the end of each course rotation. These may be taken at the nearest Adult Education site.

Eligibility:

In order for a learner to be eligible for this program, he or she must be over the age of 18 and meet one of the following criteria:

- Live farther than 20 miles from a Delta campus
- Have a small child that they are unable to provide a sitter for
- Be employed in a profession which prohibits the enrollment & attendance in face-to-face classes
- Be diagnosed with a medical condition that does not allow for in-person class attendance (authentic doctor's documentation required)
